FIRST SUNDAY OF LENT [C]

WEEK COMMENCING: 10TH MARCH 2019 - PARISH MASS BOOK PAGE153

The temptation of Jesus in the desert is often considered in isolation, focussing on the temptations themselves, a fruitful exercise. Another way of thinking about the passage is to compare it with the temptation of Adam and Eve in the Garden of Eden. We can see in the comparison a whole series of contrasts, such as Garden and desert. We can think of what goes through Eve's mind as she looks at the Tree in the Garden, three things are mentioned. The Tree appeals to her physical appetite, her will and her desire for knowledge. The first temptation of Jesus appeals to his physical appetite, the second can be understood as a challenge to his will (love of God or love of the devil) and the third is to do with the order of creation, which is a visible expression of God's knowledge we can say. What fruit can you gain by comparing the two events and considering their implications?

THE HOLY FATHER'S INTENTIONS FOR MARCH: Recognition of the Right of Christian Communities. That Christian communities, especially those who are persecuted, feel that they are close to Christ and have their rights respected.

MARRIAGE MATTERS: *We seek each other*. Today's Gospel reminds us that there is more to our life as married couples than we see. Our desire for each other has a deeper yearning – to be loved and accepted for who we are. In this season of Lent let us be led by the Spirit to resist the temptation to lead individual and separate lives within our marriages.
