FOURTH SUNDAY OF LENT [A]

March 26th 2017 – Parish Mass Book page 164

This week (Fourth Sunday of Lent), allow me to take this opportunity to announce to you in advance something that is of outmost importance for everyone to know and prepare about. Our Parish, St. James the less and St. Helen celebrates its 180th anniversary since it was canonically erected in the year 1837. In line with this, a thanksgiving celebration is being organized and we shall call this “**International Parish Day**”. The date will be **Sunday 11th of June 2017**.

To highlight the day, we shall have the usual mass at 10:30am and then it will be followed by a get-together party of all the parish members and friends. To make it more lively and meaningful, all International Communities around will be invited in a special way. Basically, you will find on that day a variety of sumptuous food and special delicacies to be sold and shared. In the afternoon, there will be also be different cultural presentations and activities for us to see and enjoy. These international groups will showcase to us their hidden talents and gifts like dances and traditional cultural presentations which we seldom see. All ethnic communities will also be encouraged to attend wearing his/her national costume! Watch and see....

Since we have two more months left to prepare, I will schedule very soon a meeting with representatives from each ethnic group in order to plan the details of the said event. Take note, this will be the first time in the history of our parish to hold this great event. So, let’s pray and work together as one family to make it happen with God’s blessings and support. In this this way we can build and improve in a better way our “unity amidst diversity” among us particularly, in this parish community in which we call “our family; OUR HOME!”
